UltraWire EXPO

Virtual Exhibition Space

General Information

UltraWire EXPO and Workshop

The [UltraWire EXPO](#) is an exclusive virtual exhibition community supported with unique boutique style industry dominated workshops, dedicated to assisting commercialisation of new technologies providing conductive materials solutions.

You could become part of our exclusive virtual community and increase your visibility and business growth opportunities by joining the key market players and vibrant industrial decision-makers, technology developers and investors. This is an area to showcase your organization, products and services for a year on your dedicated virtual EXPO booth.

Number of views of individual exhibition booths that have videos and publications, are between 10 and 25 per month.

VIRTUAL EXHIBITORS FEES

Virtual exhibitor registration

Virtual exhibition: £700.00 (+VAT for UK organisations only).

Virtual exhibitor registration includes:

- A virtual exhibition booth on the UltraWire site for a year. This includes all expenses related to design, development and hosting of the virtual exhibition booth and any updates needed for a year, including all materials, preparation and delivery of services.
- The virtual booth will have different web pages: About us (information on your organisation), Products & Services (info about your Products & services); Contact (fillable contact form where visitors can submit their contact request). Information for About us and Services pages would be provided by the exhibitor.

VIRTUAL EXHIBITOR FEES (CONT..)

- Additional information such as publications and videos could be added to the virtual exhibition booth, if provided by the exhibitor.
- A small image of your exhibition booth with a direct link to your expo site (which could be used as part of your email signature, or used in any marketing emails, or publicity activity such as LinkedIn posts).
- It is possible to extend hosting of the virtual EXPO beyond one year, including maintenance for and additional £250.00 per year. For the virtual EXPO redesign and substantial updates, CNT Ltd. could provide detail quotation.

This virtual area will be also available to be accessed through the dedicated umbrella platform of CNT Ltd. EXPO websites, **[nanoMATexpo](http://www.nanomatexpo.net)** (www.nanomatexpo.net).
